Queen's Diamond Jubilee bank holiday

Crews will be working on the Queen's Diamond Jubilee bank holiday on Tuesday 5 June but not the day before Monday 4 June. This means collections will run a day later than normal this week - please check the table on the left for details of revised collections that week.

Garden waste collections Christmas 2011/2012

As the terms and conditions of your garden waste service say, there will be no brown bin collections from garden waste customers over Christmas. This is so crews can concentrate on collecting the extra household waste put out during this period when there's very little garden waste.

This year there will be no garden waste collections between Wednesday 4 January and Monday 9 January. Collections will start again on Monday 16 January.

We will however collect extra garden waste during the week of 26 March. The extra waste should be no more than an extra brown bin load, should be able to be lifted by one person and should be in either a sturdy box or bag, which must be left open.

What happens if collections are disrupted?

Occasionally bad weather such as snow or flooding can mean it is unsafe for our waste vehicles and their crews to be on the roads and pavements and we have to cancel collections.

If collections are cancelled we will let people know by issuing regular updates on our website www.whitehorsedc.gov.uk and to our waste text subscribers, as well as via the local media and parish councils in the district.

You can also call **03000 610610** to get the latest information. If collections are cancelled crews will pick up any extra rubbish or recycling the next time this waste is due to be collected.

Please make sure you put your bins out by 7am on the day of your scheduled collection.

* Please note any Saturday collections will start from 6am, an hour earlier than usual, so remember to put your bins out the night before.
