

## RADLEY FLOWER SHOW

### NEWSLETTER – DECEMBER 2021

The Committee has started to put together the programme for Radley Flower Show 2022 with the theme being the Queen's Platinum Jubilee.

The categories for photography will include:

- A Walk in The Woods – a colour photograph collection. Tree planting will take place across the country to mark the Queen's Jubilee and will form the Queen's Green Canopy: this will also include identifying 70 ancient trees and dedicating 70 ancient woodlands to celebrate the Queen's 70 years of service. We can join in the enjoyment of old trees and beautiful ancient woodlands; we are fortunate to have Radley Large Wood and Bagley Wood on our doorsteps. Remember to take your camera with you next time you have a walk there!
- Heritage Building – black and white photograph. We expect there will be many photographs of Windsor Castle in the press next year, however, there are plenty of wonderful old buildings in Oxford, Abingdon and Radley which would be good subjects to photograph.
- Favourite Pet – colour photograph. We know that the Queen is fond of dogs, especially corgis! You may not have a corgi, but we would love to see photographs of dogs, cats, and other animals.

It would be great to have more people to help us organise next year's show. If you would like to help, please get in touch ([radleyflowershow@gmail.com](mailto:radleyflowershow@gmail.com)).

We wish you a Merry Christmas and a Happy New Year! Please note in your new diary: the date of the flower show - **Saturday 25<sup>th</sup> June 2022**, and the date for sending in your entry form - **Friday 17<sup>th</sup> June 2022**.

Dominique Henderson, Chair
