Dear Jane,

Thank you for asking the Oxfordshire CCG to comment on the amended NDP for Radley.

The comments we made back in January 2017 still stand.

Please note we are aware of the housing growth in the area and are working closely with both South Oxfordshire and Vale of White Horse District Council's to ensure that the primary health care needs of the existing and new population are high on the planning agenda and in-line with the National Planning Policy Framework.

Please do come back to us if you need any further information.

Many thanks,

Anne
