County Drugs Lines (CDL)

Country Drugs Lines is when organised crime groups exploit children and vulnerable adults to move and store the drugs and money and they will often use coercion, intimidation, violence (including sexual violence) and weapons. PCSO Moquet and PCSO Wright visited hotels around Abingdon to give advice on this. The hotels were educated on the suspicious behaviour to look out for and how to deal with it and report it if they suspect that this is happening in their hotels.

Offenders brought to justice

We are currently investigating the thefts and have already re-united some of the bikes with their rightful owners. It is important to report it if you have a bike stolen so if it's recovered we can get it back to you. Take photos of your bikes, take down frame numbers and security mark/register them.

Abingdon Street Pastors

On Friday 5th October, the neighbourhood team were invited to attend a meeting with the Abingdon Street Pastors. The Street Pastors were recently given a donation of money by Thames Valley Police from the 'Police Property Act' fund and attended a ceremony at Sulhamstead. The neighbourhood team have worked closely with the Street Pastors, who care for, listen to and talk with people on the streets of Abingdon at night, for several years. The Street Pastors offer help to individuals by providing practical assistance if required and help to keep people safe until they return home. The Street Pastors are currently looking for people to join them out on the streets and as 'prayer pastors' back at their base; if you are interested or for more information, please visit their website:
